Why study Environmental Policy abroad?

To compete in an ever-globalizing, competitive job market, no college education is complete without the skills and experiences that studying abroad can offer. International education and experiences bring academic variety and challenges, personal growth, and professional and networking opportunities to the table.

Getting started:

1. Explore programs at global.utulsa.edu
2. Attend a Study Abroad 101 Session (times and locations at global.utulsa.edu)
3. Visit with a Peer Advisor in Hardesty Hall if you have any questions
4. Start applying to both the CGE and Host Program
